

INDEX TO VOLUME LIV

OCTOBER 1960—JUNE 1961

The present Index exhibits separately ((I) *Contributors*; (II) *Contents*, arranged with reference to the main types of material appearing in this periodical (Articles, Notes, Miscellanea; Reviews; Notes and News; Books Received; Special Departments); (III) *Subject Index*, in which an attempt has been made to classify this material according to the divisions employed in the standard annual bibliography of classical studies, J. Marouzeau and

J. Ernst, *L'Année Philologique* (latest issue Vol. XXX [bibliography of 1959]; Paris: Les Belles Lettres, 1960); IV *Advertisers*.

Certain conventions, e.g., that of indicating reviewers by enclosing their names in parentheses immediately after the designation of books reviewed, will be familiar from earlier volumes.
